‘History of the United States Army Wikipedia November 1st, 2019 - After the war the Continental Army was quickly disbanded as part of the American distrust of standing armies and irregular state militias became the new nation’s sole ground army with the exception of a regiment to guard the Western Frontier and one battery of artillery guarding West Point’s arsenal”

The origins of the U.S. Army Adjutant General’s Corps date back to the American Revolution and the formation of the Continental Army that General George Washington would command for the duration of the war against Great Britain 1775–1781. On 16 June 1775, the Continental Congress declared war on Great Britain.
and Iraq by imprisoning and interrogating them outside of the United States where they were not protected by U.S. law. The U.S. also classified these prisoners as “unlawful combatants” so that they would not be entitled to the protections of the Geneva Conventions.

The US Army is Wrong on Future War Modern War Institute
December 27th, 2019 - In Russia’s war in Ukraine, this strategic realignment should begin with adopting an approach more reminiscent of the US Army’s Active Defense doctrine of the 1970s than the vaunted AirLand Battle concept of the 1980s. The US Army’s warfighting concept of Multi Domain Operations reflects an offensive maneuverist approach to warfare.
